

10 Best New Sedans Under \$25,000 in 2012

IRVINE, Calif., July 10, 2012 /PRNewswire/ -- The popular sedan segment for new cars is becoming more crowded with each passing year, and it can be difficult for shoppers to discern the best model for their needs. While auto manufacturers continue to one-up each other with more [feature-laden new sedans](#) than ever before, ultimately it is the American consumer who wins with a plethora of new models from which to choose. However, how can [new-car shoppers](#) know which of the many affordable sedan options is right for them?
