"With many hybrid vehicles priced under \$30,000, shoppers are confronted not only with complicated new technology but also with unfamiliar nameplates," said Jack R. Nerad, executive editorial director of Kelley Blue Book. "The goal of the list is to help consumers who might be new to hybrid vehicles get a head start in identifying a vehicle that will fulfill their needs. Topping our list is the Toyota Prius with the best fuel economy, undeniable practicality, and exceptionally high resale value. It's truly the king of all hybrids."
