Kelley Blue Book Names Winners of 10th Annual 5-Year Cost to Own Awards

Honoring New-Vehicle Brands, Models with Lowest Projected Ownership Costs to Help Shoppers Save Money

IRVINE, Calif., April 28, 2021 /PRNewswire/ -- Most people spend a lot of time researching and contemplating the up-front expense of purchasing a new car, but wise car shoppers also consider the total cost of ownership beyond just the initial sticker price. Ongoing costs like fuel, maintenance, insurance and even vehicle depreciation can vary greatly from one model to the next. To help in-market car shoppers make smart purchase decisions, Kelley Blue Book's experts today name the 2021 model-year brand and category winners of the 10th annual 5-Year Cost to Own Awards. These awards recognize new vehicles with the lowest projected ownership costs over the initial five-year ownership period.

Choosing a car with low

"Choosing a car with low ownership costs can help shoppers ownership costs can help save a significant amount of money over time - often several shoppers save a significant hundred and sometimes even thousands of dollars - so it's amount of money over time worthwhile to research the cost to own details of any new car you're considering," said Eric Ibara, director of residual values

for Kelley Blue Book. "Toyota wins the top 5-Year Cost to Own Brand for 2021, hot on the heels of its award for 2021 Best Resale Value Brand. Toyota's high residual values were the primary contributor toward the brand's low ownership costs, given that high residual values directly correlate to lower vehicle depreciation. Meanwhile Lexus, Toyota's luxury sibling, takes home the award for top 5-Year Cost to Own Luxury Brand, as several Lexus models lead the pack in many vehicle ownership cost categories."

Available for new models on Kelley Blue Book's KBB.com, 5-Year Cost to Own information takes into consideration depreciation, expected fuel costs, finance and insurance fees, maintenance and repair costs, and state fees. This data allows new-car shoppers to see the big picture of what a new vehicle will cost them over time, helping them to save money by choosing a vehicle that best meets their needs and their long-term budget.
