

Autotrader Names Best New Cars of 2025

Experts Narrow All Available New Models to Top 10 Contenders for Buyers' Consideration

ATLANTA, March 26, 2025 /PRNewswire/ -- In today's car market, the sheer number of vehicles available can be overwhelming for consumers. With advancements in technology and design, automakers are constantly introducing new models and updating existing vehicles in their lineup, each boasting unique features and capabilities. From electric to hybrid models, and from sleek sedans to robust SUVs, knowing where to start the shopping process can be difficult. To help car buyers narrow down their new-car shopping list, the experts at Autotrader have driven and evaluated more than 300 models, narrowing the list of 10 exceptional vehicles that are cut above the rest to determine the [Best New Cars of 2025](#).

"The team scrutinized all new cars available for sale as 2025 and early release 2026 models to name the 10 best for your consideration," said Jason Fogelson, managing editor for Autotrader. "This year's list includes four electric vehicles, two hybrid gasoline-electric vehicles, and four gas-powered models, including SUVs, sedans and one minivan that exceeded our expectations in factors like interior comfort, build quality, technology, driving experience and more."

Autotrader's Best New Cars for 2025 (in alphabetical order)

2025 Cadillac Escalade IQ
2025 Ford Expedition
2025 Honda Civic Hybrid
2026 Hyundai Ioniq 9
2025 Kia K4
2025 Nissan Kicks
2025 Toyota 4Runner
2025 Toyota Camry
2025 Volkswagen ID. Buzz
2025 Volvo EX30

The editors focus on cars that are groundbreaking or offer significant value. Because many vehicles are new or redesigned for 2025, the team only considered models available for purchase within the next nine months. To qualify, the base model of a vehicle must start below \$110,000, although most cars on the list are thousands of dollars below that.
