CDMdata Customers Receive Free Listings on kbb.com's The Trusted Marketplace(SM)

New and Current Customers Benefit from All-New Offering, Increasing Online Presence

PRNewswire IRVINE, Calif.

IRVINE, Calif., July 20 IRVINE, CDM Dealer Services, Kelley Blue Book companies, today announce free used-car listings for its dealer customers on kbb.com's new classified ad section, The Trusted Marketplace(SM). While existing customers are automatically eligible for free listings on kbb.com, new customers also can enroll by signing up with CDMdata or CDM Dealer Services or for AutoOffice®,()CDM's inventory management solution.

The Trusted Marketplace incorporates its online vehicle research with dealer inventory listings, making kbb.com a one-stop-resource for new- and used-car shoppers. CDM's dealer customers will receive merchandising treatments in The Trusted Marketplace, including Kelley Blue Book(®) Suggested Retail Values and Kelley Blue Book Digital Window Stickers integrated within their listings. In addition, CDM's dealer customers will receive additional merchandising callouts, which identify their used vehicles as "newly listed" and "price lowered." Another upcoming feature within The Trusted Marketplace is exclusive Blue SealTM recognition, which highlights CDM Dealer Service customers within the classified listings, further increasing their online presence among the site's 12 million visits each month. These kbb.com listings allow consumers to confidently locate specific vehicles of interest and help dealers to efficiently sell those selected vehicles to serious, in-market shoppers.

"We are thrilled to offer our CDM dealer customers the ability to market their inventory on kbb.com for free. By offering CDM's AutoOffice, CDM's Dealer Services and other CDMdata products with unique merchandising tags and the ability to generate leads on the #1 automotive Web site, kbb.com, we can provide dealerships a one-stop-shop for inventory marketing and management," said Mike Romano, chief operating officer for CDMdata, Inc., and senior vice president of dealer strategy for Kelley Blue Book. "The dealer's inventory is placed in front of the in-market shopper at all stages of the shopping process, which promotes the dealership and increases the potential for sales."

CDM offers an array of products and services to assist dealerships at all levels of business and effectively sell more cars online. The company's leading product, DigitalLot(®) Solution, gives dealers the comfort and ease of updating their inventory accurately and rapidly promoting it on more than 200 retail Web sites. These products not only allow dealer customers to feature vehicle photos and post dynamic videos within listings, but also leverage Kelley Blue Book(®) Values. In addition, dealers can take advantage of CDM Dealer Services, a complete professional window sticker and Internet marketing service solution. CDM Dealer Services representatives will work directly with the dealership to manage inventory and provide marketing support. With its state of the art technology and industry expertise, CDM can assist any dealership with its business efforts.()
