

Motor Press Guild Honors Kelley Blue Book “Ford F-150 Raptor - Review and Off-Road Test” with Industry's Top Video Honor for Best of the Year – Vehicle Review

IRVINE, Calif., February 16, 2018 – Kelley Blue Book today announces its prestigious 2017 MPG Award win for its [“2017 Ford F-150 Raptor – Review and Off-Road Test”](#) video. The MPG Awards honor excellence in automotive journalism, judged and sponsored by the Los Angeles-based Motor Press Guild (MPG).

The award-winning video “Ford F-150 Raptor – Review and Off-Road Test” video was published on both KBB.com and YouTube and is available for viewing on both sites. In the review, Kelley Blue Book’s Editorial team takes viewers on an informative and entertaining journey with a one-of-a-kind vehicle to answer just how much better the off-road vehicle is than a traditional full-size pickup outfitted with some common bolt-ons. The highly visual video was produced in partnership with COTU Media.

“Kelley Blue Book videos deliver the information consumers need in the compelling manner they want,” said Karl Brauer, executive publisher for Cox Automotive. “The extremely talented video team is dedicated to helping everyday drivers better understand the ins and outs of a particular model, all in an effort to help them make the best decision possible. As a result of the team’s hard work, they’ve not only set a precedent for high-quality content, but capture more than 6 million video views each month.”

Established in 1995 and awarded annually, [MPG](#) presents its awards to individuals demonstrating outstanding achievement in the profession of automotive journalism in eight journalist disciplines within articles, audio/visual, books and photography. In addition, the Bob D’Olivo Award for Outstanding Photography and Dean Batchelor Lifetime Achievement Award are presented. The 2017 MPG Awards were awarded during the annual banquet on February 11 at The Petersen Automotive Museum in Los Angeles.

Kelley Blue Book has been honored with several important awards at the Motor Press Guild’s annual ceremony in recent years.
