IRVINE, Calif.

IRVINE, Calif., July 23 /PRNewswire/ -- Kelley Blue Book, www.kbb.com, the leading provider of [new car](#) and [used car](#) information, today announces an all-time traffic high for its top-rated consumer Web site, with more than 618,000 visits to kbb.com on Monday, July 13, 2009.

Despite the auto industry's sales troubles this year, Kelley Blue Book's kbb.com has consistently drawn more than 13 million visits each month so far this year, with traffic peaking in March at 15 million visits. Kbb.com visitors have steadily exceeded 14 million per month for the past three months (April - June 2009). In addition, in-market car shoppers have viewed nearly 400 million vehicle pricing reports since the beginning of the year.

"Kelley Blue Book has been known as *The Trusted Resource*® for more than 80 years, and each year kbb.com offers more detailed and helpful information to assist car buyers and sellers in accomplishing their goals with confidence," said Christian Nimsky, vice president of kbb.com for Kelley Blue Book. "Even with the auto industry in a major state of transition, the latest kbb.com visitation data offers some rays of hope to the struggling automakers and everyone involved in the industry, demonstrating that now more than ever, Americans are still excited to shop for new cars."

In addition to its famous Blue Book® new- and used-car values, Kelley Blue Book offers a wide variety of resources, advice and tools for in-market car shoppers on kbb.com. In the past year alone, kbb.com has launched its Perfect Car Finder® Photo Edition, KBB Green®, an optimized version of kbb.com for mobile devices and most recently, a Cash for Clunkers calculator. These tools join the host of comprehensive new-car shopping information available on kbb.com, including expert vehicle reviews (both video and print), resale value and safety information, rebates and incentive offers, a side-by-side comparison tool, consumer reviews and ratings, 360-degree vehicle views, vehicle specifications and optional feature information, and much more.

"Traffic to every area of our site has seen a significant lift this year including consumers researching new-car pricing, vehicle reviews and helpful decision-making tools," said Justin Yaros, executive vice president, product design and development for Kelley Blue Book and kbb.com. "With the steady growing visitor count, there is no better place for dealers and manufacturers looking to effectively reach a very targeted audience of in-market vehicle shoppers than kbb.com."

The top five most-researched model/trim combinations on this record-breaking traffic day for kbb.com were the 2010 Chevrolet Camaro SS, 2009 Honda CR-V LX 2WD, 2010 Toyota Prius, 2010 Chevrolet Camaro LS and 2010 Toyota Camry LE, respectively. The 2010 Chevrolet Camaro was by far the most-researched vehicle on July 13, with three of its trim levels (SS, LS and LT) present among the top 10 most-researched model/trim combinations on July 13, 2009.
