

# Kbb.com Debuts Exclusive Performance Data for Cars 2 Movie Characters

**Kbb.com's Coverage Features Never-Before-Seen Specs, Expert Vehicle Reviews for Select Movie Characters**

IRVINE, Calif., May 17, 2011 /PRNewswire/ -- Kelley Blue Book, the leading provider of [new car](#) and [used car](#) information, today debuts exclusive performance data, vehicle specifications and more for select Cars 2 movie characters on its top-rated website, [www.kbb.com/](http://www.kbb.com/). The all-new character specs are part of a kbb.com latest news story titled "[The Radiator Springs Gang Goes Overseas in Cars 2](#)," which includes a movie plot overview and expert auto-editor reviews on some of the hottest vehicles on the silver screen – the characters of Cars 2, the Walt Disney Pictures and Pixar Animated Studios feature to be released on June 24, 2011. In addition, the story features images of the movie's main characters and the Cars 2 movie trailer video, so readers can experience a sneak-peek of the film prior to its theater release date.

Kbb.com's feature story about Cars 2 highlights performance data, vehicle specifications and an all-new editorial review for the movie's primary protagonist Lightning McQueen, and also debuts never-before-seen performance data and reviews for an additional three main characters from the film: Tow Mater, Holley Shiftwell and Finn McMissile. In addition, kbb.com is first to provide exclusive performance data and specs on the villains in the movie, including Acer, Grem and Professor Z, along with the make/model information for the movie's three announcers, Brent Mustangburger, Darrell Cartrip and David Hobbscap. Specs listed for each of the aforementioned Cars 2 characters include the vehicle's top speed, zero-60 mph, vehicle type, make/model (where applicable), engine type, horsepower and hometown.

"Fans of the wildly popular Cars movies can visit Kelley Blue Book's kbb.com to see exclusive details about their favorite characters and to read what automotive experts have to say about the fascinating vehicles featured in the soon-to-be-released film," said Jack R. Nerad, executive editorial director and executive market analyst for Kelley Blue Book's kbb.com. "Fueled with humor, action, and nostalgia for a time many of its viewers never knew, Cars 2 is filled with an impressive array of new car characters. It might be a mighty fine way to spend a family afternoon."
