

Kbb.com Names Top 10 Halloween Cars

Kelley Blue Book Expert Editors Provide Vehicles to Complete Favorite Costumes

IRVINE, Calif., Oct. 25, 2011 /PRNewswire/ -- Kelley Blue Book www.kbb.com, the leading provider of [new car](#) and [used car](#) information, today names the Top 10 Halloween Cars, which spells out the makes and models that complete this year's favorite Halloween costumes.

Halloween is a holiday of shared fun and frolic, but picking the right costume takes effort to stand out in a crowd. Even in this unusual quest, kbb.com's expert auto editors can help take away the horror of choosing an outfit, because it is their collected opinion that the best costumes aren't really the best unless set off by the appropriate car.

"Let's face it, if you dress as Donald Trump and arrive in a beat-up 1989 Yugo, it just won't make sense," said Jack R. Nerad, executive editorial director and executive market analyst for Kelley Blue Book's kbb.com. "If, on the other hand, you pull up in a vehicle that delivers the perfect complement to your outfit, you will immediately vault to the top of the Halloween class. It's a further refinement of a grand Trick or Treat tradition!"
